We are thrilled to collaborate with Super Soccer Stars in bringing an outstanding, fun program this fall!

Super Soccer Stars is a Boston-based company. Their goal is to teach soccer skills in a fun, non-competitive, educational environment.

Our joined philosophy is to use soccer to nurture, to build self-confidence, and to develop teamwork in every class. This specially designed curriculum uses positive reinforcement and a low child-to-coach ratio to ensure that each child improves at his or her own rate while having endless fun.
